FRAGILE - HANDLE WITH CARE

SHIPPING INSTRUCTIONS

1. Wrap items in kraft paper, bubble wrap, newspaper, foam, or other packing material and secure in box. Include sheath if applicable.
2. Close the box and shake to ensure there is no movement. If there is movement, insert more packing material.
3. When secure, seal all seams with packing tape.
4. Attach mailing label.
5. Mail using your preferred method.
(We suggest additional insurance and will include the same insurance amount when return shipping)
